AN/TAQ-1()
Surveillance Information Center

Status: STD-B; NSN: 5895-00-947-9762 (AN/TAQ-1A)
STD-A; NSN: 5895-00-045-4498 (AN/TAQ-1B)

Reference: TM 11-5895-386-12
TB 43-0123

General Information

The AN/TAQ-1() is the ground component of Infrared Surveillance System AN/UAS-4A. The ground equipment provides a monitoring facility for the surveillance mission as it is taking place. It also provides a permanent record, photographic film recording, and visual (television-type) presentation of the surveillance area.
